

FLOKICOIN

FlokiCoin Launched 13 July 2021 on BSC block chain with 10X faster block speed and gives economical gas fees for our holders.

We are inspired by Elon Musk to bring better future and look forward to the next success.

FlokiCoin is decentralized token and our AIM is to take the digital currency into it's next level like all other cryptocurrency with loyalty reward to our holders . FlokiCoin is fan of BNB and Dogecoin .

We also deeply passionate about our future and the planet we live , our home that's why the entire FlokiCoin team is working in charitable way every day to save the planet from global warming impact while also explore our place in the universe.

FlokiCoin has hyper deflationary and auto boost system that means holder will see FlokiCoin in their wallet grow forever by just hold the token .

Abstract

FlokiCoin is a true community with true purpose . The best part of the project is that it's not only proving opportunity to it's holder to form a decentralised Token community but also focuses on helping global issues that benefits humanity . Along our charity missions we aim to create FlokiCoin Swap , FlokiCoin POS Blockchain to bring sustainable crypto currency helping to reduce our carbon footprints . Our true purpose includes decentralised exchange , FlokiCoin wallet, credit card for crypto , NFT and Crypto loan between our holders .

Our Priority

Our precedence is to give ordinary people a platform which could be used for a meaningful purpose and to fulfil the need to make this world a better place to live. Even before going to the aspects for marketing and other holder preferences we knew that our top priority is to gain respect and improvising the acceptance of crypto currency to all part of our society .

Our TOP 5 Future Innovation

1. FlokiCoin Wallet
2. FlokiCoin Credit Card For holders
3. FlokiCoin Credit Loan between holders
4. FlokiCoin Swap
5. FlokiCoin POS BlockChain

Ethics

Power of community

Our vision is the create world leading cryptocurrency community to raise acceptance of crypto value amongst ordinary people and their community .

Our social media platform like Twitter, Telegram and Instagram teams focus to bring people from all over the world. We strive when our community comes together .

Our Strategy

The role of trust and transparency between FlokiCoin and community members are paramount for our success in daily life as well as our decentralized crypto currency recognition .

FlokiCoin established plan to work with wider global non profit organizations to reach global community and earn confidence in our Token and global decentralized solution.

Brighter Future

Through our innovative offer like FlokiCoin Wallet , FlokiCoin Swap etc our holders will play a vital role in maintaining the liquidity by holding FlokiCoin.

Thus the more holders we have the more liquidity and reward it can bring. Hence it illustrates the characteristics of providing greater liquidity subsequently creating longer and stable FlokiCoin Community.

FOUNDER MESSAGES

Tanver Ahmed (Riku)
Founder - CEO FlokiCoin

view my **Linked in** profile

Riku is a Healthcare executive by profession. He is responsible for one of the world busiest ambulance service treating over 6million patients every year.

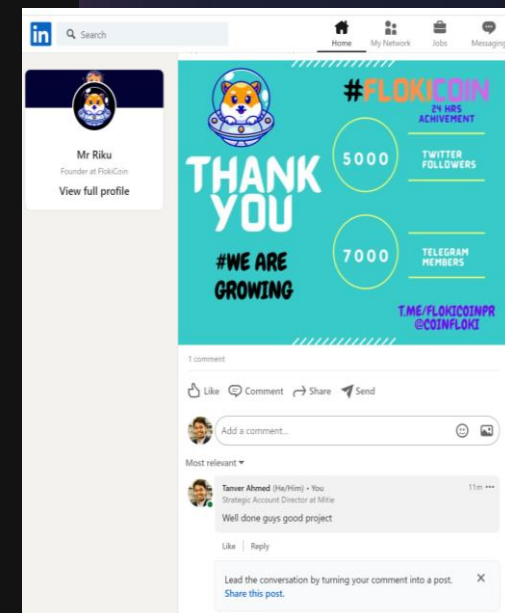

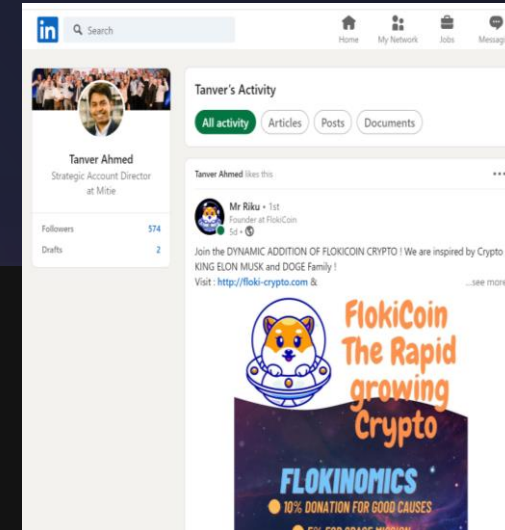

Riku is a big fan of cryptocurrency and his love and passion transferred into FlokiCoin Crypto project , he likes helping people the way he helped millions people last 12 years and during this pandemic .

Riku wants to reach out globally and be part of the solution for the problem that we all face in different part of the world. He loves Elon Musk , Tesla and Space X program .

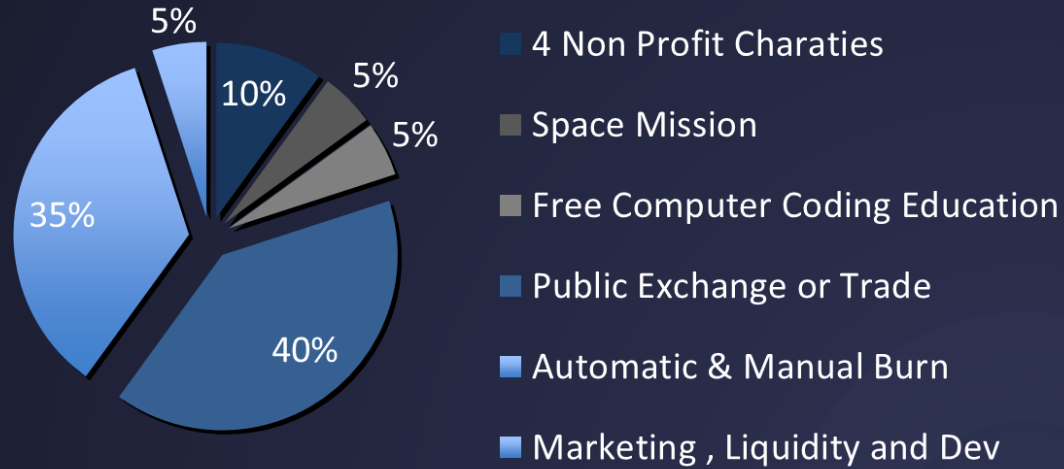

Riku believes Elon has done more to save our planet in the last 5 yrs than anyone on earth has ever able to do on their own initiative.

Climate change a big part that Riku cares about , our planet and all the human and animal lives on it .

Riku loves to be an astronaut one day travel beyond the planet and leave shining legacy behind for the future generation .
